

Dear Active Member,

We invite you to participate in the Suffolk County School Facilities Scholarship Golf Outing, to be held this year on May 23rd at 8:30 am at the Baiting Hollow CC.

This event is a major fundraiser for the Suffolk County Director of School Facilities Scholarship Fund, which provides scholarships to deserving students of Facilities Department staff who are pursuing higher education opportunities.

As an Active Association Member, your support will encourage Associate Members to continue providing scholarship resources to students in need, while also giving you the opportunity to show your support for education and the School Facilities community.

Most importantly, ALL proceeds go DIRECTLY to the scholarship program. 100%.

We believe that supporting education is one of the most important investments we can make, and your support of this event will have a lasting impact on the lives of students and the community as a whole. We hope you will consider participating in the Suffolk County School Facilities Scholarship Golf Outing, and we look forward to your continued support of education and the Association.

Sincerely,

The Suffolk County Director of School Facilities Scholarship Fund Committee
