

## The Battle of Bobby's

This years "9 & Dine" will feature a twist.....

"Alleged" friends Bobby Cunningham and Bobby Brown will be squaring off at this years event with bragging rights at stake. With one positioned on the front nine, and the other on the back nine, each will need the support of all other teams on their respective nine holes. Based off the collective scores from the front and back nines the low score will be determined and a winner will be crowned.
